Fuck with me and get your head popped like a soda  
When it comes to this rap shit, I am the best man  
In high school I was a senior but I had to stay fresh man  
They doubted me in person now they feeling like

Soulja Boy:

My chain gold diamonds like a mutha fucking Oscar  
Your chain looking faded like some mutha fucking  
copper  
He's dry snitching talking to the damn coppers  
Have his ass scared leaking red like a lobster  
2 million dollars cash in front of me like I'm a mobster  
Their comments keep me entertained so shout out to  
the bloggers

Soulja, spit that hot shit like Ether  
He don't like me I don't like his ass either.  
When the beef is on, we will pull a all nighter  
Send his head shot like I ma damn sniper  
My nigga can't follow bitch I can go further  
Rest in peace to this track cause this shit had been  
murdered
