Aye, what we gonna do today, Mr. Collipark?
Same thing we do everyday, Soulja Boy
Tryna crank the world'

It ain't no game, you know what I'm sayin'?
Soulja Boy tell 'em, from the internet to mainstream
You already know what it is, stacks on deck
entertainment
Collipark Music, Interscope Records

The next big thang smokin' boy
It ain't no game this year
I wanna thank all the fans for supportin' your boy
Helpin' me get the deal, now we fittin' to take over the
world

It ain't no game, I'm tellin' you what it is
Soulja Boy tell 'em
The movement, you better get with it
