Counting money, smoking loud
Riding foreign, counting loud
Got packs, got sacks
I got bands, I got Fetty

Is you ready?
Is you ready?
Is you ready?
Is you ready?
Is you ready?
Is you ready?
Is you ready?
Is you ready?

I'm stepping out, I'm stepping out
It's a movie scene, it's a movie scene
Versace around me, paparazzi surround me
Brand new Maserati,
I don't even drive it
Ain't got no mollies, I don't need no stylist

Damn Soulja whiling, I'm on the red carpet
Is you ready? Is you ready?
To get it started
I'm on the magazines, let's go
I'm on the foreign tour, let's go
I'm on my tour bus, let's go
I ride in nothing but couture, ok
I ride customs
Red bottom kicks
I love foreign shit
I love expensive things
I let her do the dash, I got a straight smash
I let her put my pedal to the metal
While I'm blowing gas

Is you ready?
Is you ready?
Is you ready?
Is you ready?
Is you ready?

Is you ready?
Is you ready?
Is you ready?

I'm stepping out, I'm stepping out
It's a movie scene, it's a movie scene
Versace around me, paparazzi surround me
Brand new Maserati,
I don't even drive it
Ain't got no mollies, I don't need no stylist

I'm spazzing out
I'm at the waffle house in the Mercedes
And the ' all in my pocket, I got bricks on me
I got a lick on me, 'cause I'm a walking lick
Yeah, I'm a meal ticket
I take expensive trills
60 racks for my whole crew
Damn, you don't do the dash, I pull up
We spazzing out, it's a movie, bring your camera
Soulja Boy got money, Soulja Boy be stunting
Ain't nothing funny
I'mma get cash, I'mma get moody
Jeweler, Slick Rick DeRulo

Is you ready?
Is you ready?
Is you ready?
Is you ready?
Is you ready?
Is you ready?
Is you ready?
Is you ready?

I'm stepping out, I'm stepping out
It's a movie scene, it's a movie scene
Versace around me, paparazzi surround me
Brand new Maserati,
I don't even drive it
Ain't got no mollies, I don't need no stylist

Is you ready?
Is you ready?
Is you ready?
Is you ready?
Is you ready?
Is you ready?
Is you ready?
Is you ready?

Foreign, foreign

It's a movie scene, Versace all around me
Paparazzi all around me
Soulja, turn up
Is you ready?
Is you ready?
Ham, ham
Turn up, turn up
Juice, we smoking Soulja
We smoking Soulja
We taking over
Turn up
Is you ready? No
Is you ready? No
Let's go
Gone, gone
Foreign 2
100 bands, it's a movie scene
