(Intro)

Okay

Heey

Okay

Living like a king

Yuh

(Hook)

Living like a king, living like a king

Living like a king, living like a king

Wake up in the morning, gold on my ring

Living like a king, living like a king

Living like a king, living like a king

Living like a king, living like a king

Wake up in the morning, gold on my ring

Living like a king, living like a boss

Pull up to the club where Iâ€™m choppin Oâ€™s

Pull up to the club and my watch glisten

Pull up to the club and my ruby glisten

Living like a king, sitting on my throne

Smoking on this kush so leave me alone

I be turnt up, not just in a song

Iâ€™ve been turnt up, I will get you gone

Living like a king, yea

(Hook)

Living like a king, living like a king

Living like a king, living like a king

Wake up in the morning, gold on my ring

Living like a king, living like a king

Living like a king, living like a king

Living like a king, living like a king

Wake up in the morning, gold on my ring

My son a prince and Iâ€™m a king

Ridin in that Maybach, Iâ€™m being chauffeured

Ridin with yo girl and she on my world

Take her to the palace, take her to the throne

King Soulja Beezy, man Iâ€™m on

Living like a king â€™cause I do my thing

Let my jewelry bling, living like a king
Living like a king, yeah

(Hook)

Living like a king, living like a king
Living like a king, living like a king
Wake up in the morning, gold on my ring
Living like a king, living like a king
Living like a king, living like a king
Gold on my ring, gold on my ring
Living like a king yea

Man I flex hard, king like the court
Shout out to my, shout out to my squad
Pull up to the club, we ain't never ball
On that world tour, ridin with your girl
Living like a king, yea
