From the chain, to the reign, to the iced out bracelet

I hit the bitch with the pedigree
I post up 'bout 60 deep
Mobbin' so steadily
Facebook so heavenly
But i gave the city hell
The world commin' to an end
I call that the 2012
Nigga wanna see my face thats gonna cost you 2 mil
Bitches suck my dick 'cuz i just got a brand new shoe
deal
Brand new Lamborghini
Yes i pulled up in that orange thang
Cover up her legs until she look just like a mermaid
Ocean gang reppin' bitch i splash then i swag up
30 million dollars make yo main bitch act up
50 on my chain make a bitch lose her breathe quick
I took the bitch out to breakfast
And then i left her breathe less
Lil Dre!

(Chorus)

Lamborghini x4
All da girls be like Zoom when i ride past x2
Lamborghini x4
All da girls be like Zoom when i ride past x2
