lets get it
stacks on deck (bow)
we on
lets get it
lets get it (lets get it)
lets get it (lets get it)
lets get it (stacks on deck man)
lets get it
rolling off the dope (lets get it)
riding with that popa
lets get it
zan with that lean
lets get it
man i'm in my dream
lets get it
i go in my bag when i want to (lets get it)
pull up in the block with some gin and jewels (lets get
it)
everybody know that i'm taking off (taking off)
pull up in my Bentley and i'm racing off
rolling off the dope, on some real shit (i'm gone)
stacks on deck my life, man i live this
bitch we sitting on top and we gettin it
if you disrespecting you will get your wig split
on some real shit boy
i be flexing on them niggaz with my young niggaz boy
on some real shit boy
i be flexing wit my niggaz on some real shit boy
lets get it
lets get it (lets get it)
lets get it (lets get it)
lets get it (lets get it)
lets get it (lets get it)
lets get it (stacks on deck man)
lets get it
rolling off the dope (lets get it)
riding with that popa
lets get it
zan with that lean
lets get it (lets get it)
man i'm in my dream

lets get it (gone)
pull up in that Ferrari
lets get it (gone)
blowin on that kush pack
lets get it
man a nigga leaning
lets get it
gold on my neck too
lets get it
(dre)
i pull up to the show, that shit sold out
feel like i'm in Alaska, my shit froze now
and my soldiers shoot you stats and toes down
on this battlefield that's how it goes down
i'm flexin through my hood like fuck the cops
posted in my trap on the fucking block
niggaz think they slick but them niggaz not
post up on top cause a nigga hot
real shit, man i love my hood
pull up to my block and we eating good
niggaz know whats up i'm counting up a million
standin on the stage
lets get it
lets get it (lets get it)
lets get it (lets get it)
lets get it (lets get it)
lets get it (lets get it)
rolling off the dope (lets get it)
riding with that popa
lets get it
zan with that lean
lets get it (lets get it)
man im in my dream
lets get it (lets get it)
lets get it (lets get it)
lets get it (lets get it)
lets get it (lets get it)
lets get it (lets get it)
lets get it (lets get it)
lets get it (lets get it)
lets get it (we on)
lets get it (gone)
lets get it (gone)
