Riding through my city, bout to hit a lick
Bout to fuck all on this nigga bitch
This nigga mad, he get his weed splif
30's in the cut, he'll get his shit split
Riding and I'm loaded, I'm loaded

Riding and I'm loaded, I'm loaded
I'm flexing bitch, I'm loaded, I'm loaded
Got that 30 bitches loaded, it's loaded
Got that choppa, Soulja blowed up
Nigga, don't call my phone unless you pouring up
Smoking on this dope, money going up
Hit the fucking secret, son they throwing money up
Damn, damn, damn, I'm the man
Click clack, yeah, Soulja bam bam
Outside the van Soulja go damn
I pulled up in that Bentley, that's a quarter mil
Versace all on me, paparazzi all on me
Your bitch all on me, 'cause gonna rip it SOD
Rich gang, MG all up in these fucking streets
Five star general, get your fucking hit list ready
'Cause Soulja Boy coming, chopping less, let it blow

Soulja loaded, loaded, loaded
Riding and I'm loaded, loaded, loaded
Got that choppa and I'm loaded, loaded, loaded
Last night I was loaded, loaded, loaded
Get money, loaded, loaded
I'm loaded, I'm loaded
Loaded, loaded, Soulja, Soulja
Loaded, loaded, get money

Bad bitch with me, Gucci on my feet
Red bottoms dog, Soulja kill the beat
Soulja kill the beat, Soulja Boy kill the streets
Soulja Boy stack this guap, nobody fucking with me
I cash out, I'm going splurge
50K on my watch, fuck what you heard
SB getting guap, flip a couple herb
Every time you see me, man I'm sipping syrup
Yeah, you ain't even know it

100K on my watch, you ain't even know it
You ain't even know it
Last night I was loaded, loaded, loaded, loaded

Loaded, loaded, I'm riding and I'm loaded, loaded,
loaded
Got that 9 and it's loaded, loaded, loaded
Last night I was loaded, loaded, loaded
Yeah, loaded, loaded
Loaded, loaded
Last night I was loaded
Got that choppa on me, I didn't know that thing loaded,
