Rich Gang, Rich Gang  
Foreign 2, The Movie, soulja  
That nigga too dizzy

Look what I just did  
I just locked down the whole trap  
Bricks, nails, ounces, deuces  
Ridin with that pistol strapped  
Look what I just did  
I just took over the whole trap  
Nails, bruces, deuces,  
Block, bricks, balls, I got it cocked

Look what I just did, Look what I just did  
Look what I just did  
I just took over locked down the whole trap  
Look what I just did, Look what I just did  
Look what I just did  
I just locked down the whole trap

Soulja Boy be in the street, damn he's been killin shit  
Soulja Boy been on the beat, damn, water whippin  
bricks  
Keys have 5 9's, damns, king of bricks  
Lil Soulja got the juice, bought 100 by the truck  
Bedroom, cock it damn, let them nuts hit yo back  
I'm runnin, hollow tips explode  
Lock and load, nigga let's go  
Word around the 4, Soulja leave yo body cold  
And my Cuban Link is froze  
I ain't gotta tell you and you know

Look what I just did  
Look what I just did  
I just locked down the whole trap  
Look what I just did  
Look what I just did  
I just took over the whole trap

Word around town Soulja Boy got them fuckin bricks  
Word around town Soulja Boy don't make nothing but

hits

Word through the city, take a 5, scratch it to a 4  
Word round town I got them bricks for the Shawty Lo  
5, 4, 3, 2, 1, take off from outta space  
Word around the town, 50 racks, my lawyer beat the  
case  
Damn, Soulja Boy, I'm rich, I was go  
Soulja Boy, I'm high off dope  
Ridin through the Cinci road, zone 1 and zone 4

Look what I just did  
Look what I just did  
I just locked down the whole trap  
Look what I just did  
Look what I just did  
I just took over the whole trap  
Look what I just did  
Look what I just did  
I just locked down the whole trap  
Rich Gang, Rich Gang  
Look what I just did  
Look what I just did  
I just took over the whole trap  
Soulja, Soulja, Soulja  
Look what I just did  
I just took over the whole trap.
