## Chorus 1

Real Niggas live on  
Fake Niggas die  
All the blood sweat and tears  
I'd had wiped from my eyes  
Real Niggas love me  
Fake Niggas hate me  
We live in this world called Love & Hatred  
Real Niggas live on  
Fake Niggas die  
All the blood sweat and tears  
I'd had wiped from my eyes  
Real Niggas love me  
Fake Niggas hate me  
We live in this world called Love & Hatred  
Real Niggas live on  
Fake Niggas die  
All the blood sweat and tears  
I'd had wiped from my eyes  
Real Niggas love me  
Fake Niggas hate me  
We live in this world called Love & Hatred

## Verse One

18 Years Old like the muthafuckin trap  
It's Soulja Boy Tell'em  
Put my city on the map  
Keep a pistol in my lap  
As I ride through my projects  
Because a nigga might try to rob me  
Everyday I'm hustlin  
No time for depression  
I'm rich  
But my whole family's in the damn recession  
I learned my lesson so I will never slip  
So I keep a gun in every room  
Plus a pistol on my hip
