Oh ohh  
Bitch you saying  
Yeah, what you sayin  
Yeah

Girl you think that you know, but you really don't know  
Where did you go? soulja at the show  
We make love on the floor, and I type you wanna go  
But you already know, that you really don't know

I'm driving through the city, you should be with me  
But is all gucci yeah we make a movie  
Sipping something dark, make love to car park  
Girl you know I love you, nothing above you

Hook:  
Now tell me that you love me, now tell me that you love  
me  
Now tell me that you love me, tell me that you love me,  
That you love me, now tell me that you love me,  
That you love me, now tell me that you love me,  
Tell me that you love me, tell me that you love me,  
Tell me bitch love me

Girl tell what's on your mind,  
Girl tell me that's on your mind,  
'Cause I wanna know, lying at the drow  
Everything we go through  
But it could be better.

She like the way I lean,  
She think she's in a dream  
Nothing comes in between  
Tell me that you love me,  
And if I heard you are before you know I didn't mean to  
And if I ever had the time that I didn't treasure you

Hook:  
Now tell me that you love me, now tell me that you love  
me  
Now tell me that you love me, tell me that you love me,

That you love me, now tell me that you love me,  
That you love me, now tell me that you love me,  
Tell me that you love me, tell me that you love me,  
Tell me bitch love me

Tell me that you love me
