Soulja, Soulja
Ohh, on the bean, wit the lean
And I got to drink
you know I do my thing, money game

Hook:
On the bean picked up my Bentley keys,
yall stay lacking, I put her on the bean
molly with that lean, rolling through the streets,
bitch i do my thing, bitch I do my thing.
On the bean, picked up my Bentley keys,
yall stay lacking, I put her on the bean
molly with that lean, rolling through the streets,
molly with that lean, bitch I do my thing.

Molly with that lean, rolling through the streets
man I do my thing, thing boy I stay clean, boy I stay
boy you know I'm packing, yall boys playing
pull up in that porsche, like what you really sayin,
do this everyday, do this all the time, time
man I'm on my hustle, man I'm on my grind
in a big time, say I'm in a big leash,
im out on the stage, and you in the VIP
man I'm in the streets, man I'm in your f*cking
girl
take her to the crib, molly world, molly world
with that lean, with that smoke
I'm on the yacht, I'm on a boat

[Hook:]
On the bean picked up my Bentley keys,
yall stay lacking, I put her on the Bean
molly with that lean, rolling through the streets,
bitch i do my thing, bitch I do my thing.
On the beam picked up my Bentley keys,
yall stay lacking, I put her on the beam
molly with that lean, rolling through the streets,
molly with that lean, molly with that lean.

With that lean lean, with that lean
molly with the lean, molly with the lean,
molly with the lean, molly with the lean

with that lean, with that lean,
molly with that lean, lean
molly with that lean

On the Bean, strugglin out the club
stumbling looking for my keys,
hopped inside the Porsche swerving oh i'm on freeze
rolex on my wrist, hold it up if you paid
itâ€™s rolex gang
that's I claim, I pull up 20 racks in my pocket
my pocket, water running with the lean like a faucet
i'm getting money, and you niggas canâ€™t stop it,
you can't stop it,
say I'm a king, I'm a king
all the girls in the club say I'm clean, say I'm clean
clean
i wake up in the morning do my thing, do my thing
and your girlfriend right here she on a bean, she on a
bean
she on a bean, molly with the lean , with the lean
molly with the lean, with the lean
molly with the lean, molly with the lean
molly with the lean, molly with the lean
molly with the lean, molly with the lean
