Soulja, Soulja
Ohh, on the b, OH PUT THE B
And I got to drink
We know I do my thing, money game

Hook:
On the B picked all my barely keys,
You stay lacking and I put her on the B
Molly with that lean, rolling through the streets,
Bitch IÂ'll do my thing, bitch IÂ'll do my thing.
On the B picked all my barely keys,
You stay lacking and I put her on the B
Molly with that lean, rolling through the streets,
Bitch IÂ'll do my thing, bitch IÂ'll do my thing.

Molly with that lean rolling through the streets
Man I do my thing, thing boy I stake, boy I stake
Boy you know IÂ'm packing, yall boys playing
Pull up in that poor, like what you really sayin,
Do this every day day, do this all the time, time
Now IÂ'm on my hustle, man IÂ'm on my grind
In a big time, say IÂ'm in a big time IÂ'm in a big leash,
Oh no so you stay, and you in the VIP
Oh man IÂ'm in the streets, man IÂ'm in your f*cking
girl
Take her to the crib, molly roll, molly roll
With that lean, with that lean, with that smoke, with that
smoke
IÂ'm on the yacht, IÂ'm on above

[Hook:]

With that lean lean, molly with that lean
Molly with the lean, molly with the lean,
Molly with the lean, molly with the lean
With that lean, with that lean,
Molly with that lean, lean
Molly with that lean

On the B, strugglin out the club
Stumbling looking for my keys, keys

Hapt inside the Porsche swerving almost free
Rolex on my wrist so let's hole it up if you pay pay
It's rolex game game
It's what I play, I pull her lover 20 racks in my pocket
My pocket, what I'm running with the lean like I'm
fossy, fossy
Again again, yeah money and you niggas can't stop
it, stop it,
You can't stop it, can't stop it,
Say I'm a king, I'm a king
All the girls in the club say I'm clean, say I'm clean
And wake up in the morning do my thing, do my thing
And your girlfriend right here she on a bin, she on a bin
She on a bin, molly with the lean lean, with the lean
Molly with the lean, with the lean
Molly with the lean, molly with the lean
Molly with the lean, molly with the lean
Molly with the lean, molly with the lean

[Hook:]
