Rich Gang  
Cash  
Billionaires, loyalty, family  
That's what we believe in, you know what I mean?  
I never turn on my team

Killing niggas  
That nigga too dizzy

Man, fuck these niggas, fuck 'em  
'Cause I got that guap  
Big ass mansion, call me non-stop  
A kilo, that's a thousand and 8 grams  
Soulja Boy tell 'em, he been going ham  
I been killing niggas, murder, murder  
I been murkin' niggas, murder, murder, damn  
I been killing shit, murder, murder, damn  
I been murkin' niggas, murder, murder

One ounce, 28 grams, 16 ounce, that's a pound of ham  
Lean with Xanax, I'll murk your man  
Lean like kick stand, 30K for a brick  
A key for a lick, man, I might take a trip  
Soulja Boy got them zips  
Think about make it flip  
AK-47, damn, yeah, that'll make you flip  
I'm overseas, that 30 is on my hip  
I swear to God I won't slip  
The police call them niggas dip, take off  
I'm SB, I'm big boss, I'm GD, I'm Rich Gang  
I'm OG, tatted in my face  
I'm swagged up, out the frame  
I'm outta space, took a case  
I be the case, niggas hating  
They really fake, I hit the block with a 38  
What's really happening?  
All my niggas savage, all my niggas trapping  
Swear to God he'll let you have it  
Sosa out, we throwing crazy  
38, I whip the baby, pull up in a 20-13  
All black Mercedes

Murder, murder  
Murder, murder  
Murder, murder  
Murder, murder  
Murder, yeah  
Murder, yeah  
Murder, yeah  
Murder, damn  
Murder

This the judgment but I got that jug all on my hip  
I'm off the purp with that lean  
And I'm just thugging out this bitch  
FM with that 30 click, 30-30 riffle  
Got 'bout 30 dirty niggas with me, they gonna do what I  
do  
They gonna do what I say  
Shoot when I say shoot nigga  
All I keep is 8's round me  
Thick my hunted suit nigga  
Point a finger, poof nigga, David Copperfield  
I'll die before I go broke  
Don't wanna know how that feels  
Soulja with me  
I'm a soldier, champ, a savage nigga  
Run up on you fast, automatic nigga  
They talk tough, they don't want no static nigga  
Bitch made nigga, that's a faggot nigga

Murder, murder  
Murder, murder  
Murder, murder  
Murder, murder

I been killing shit, murder, murder  
I been murkin' niggas, murder, murder  
I been killing shit, murder, murder  
I been killing shit, murder, murder
