Yeah IÂ'm on, yeah IÂ'm on  
Now all them hoes know that IÂ'm on  
Now them niggas hatin no doubt IÂ'm on  
Now all them bad bitches know IÂ'm on

Out of space, niggas hating  
Now they call my phone, my phone  
I be sippin lean, lean, cause now IÂ'm on  
I hit the club (club), like bring it on (like bring it on)  
50 racks in my pocket, standing strong  
I be blowing packs, I be smoking strong  
I be in my league, I be in my zone  
Niggas hating on me tell em boys get going  
Cause I will get you gone, I get you gone

Smoke the kush, kush is my cologne  
Hit the fucking block and rip up a zone  
Lil Dre, cashing out,  
I hit the mall and IÂ'm spazzing out  
Yeah IÂ'm on on, yeah IÂ'm on on  
All them hoes was hating, but now IÂ'm on on  
All them niggas hating, now they call my phone (my phone)  
Now a nigga stuntin diamond stones

All them bad bitches know that IÂ'm on  
All them niggas that was hating, they know IÂ'm on

Now Iâ€™m on, yeah Iâ€™m on

Yeah a nigga flexin, a nigga flexin  
Got a gold Versace chain hanging out my neck, take  
off  
Riding through the hood with that fucking tek, riding  
Nigga play with me, with me, nigga getting wet, splash  
Niggas playing (playing), I get it by the pound (pound)  
My brother keep the AR with bout 80 rounds  
Disrespect, and then itâ€™s on,  
Smoke the kush, keep me on  
I be in the clouds, in the sky  
Get it by the pound, that keep me high  
Red bottom kicks, that keep me fly  
I got a check, you see it in my eye

Money bags, all about them bandz  
Gotta smoke blunts, gotta sip kick stand  
Niggas hate, they canâ€™t understand  
Soulja Boy tell em yeah he got em bandz

All them bad bitches know Iâ€™m on (they know)
