Ocean gang b-tch, crank up the volume
Yo b-tch on my d-ck, she s-ck me like a vacuum
What the f-ck you talking bout
Brand new ice soon
F-ck what they talking bout, b-tch I'm a tycoon
Swag everyday, but I don't do this often
Hoes on my d-ck, I came out the water like a dolphin
N-ggas getting mad, they some has beens
Took your b-tch to the movie, she hot like a jacuzzi
Word around town soulja boy got the potion
B-tch I close my eyes, but my third eye is open
Everyday I'm smoking, you would think I was jesus
They want to see me on the cross
I ball everyday like a f-cking boss
Ocean gang

Splash on your b-tch (3x)
Nigga ocean gang, ocean gang
Splash on your b-tch (3x)
Nigga ocean gang, ocean gang
Splash (4x), huh
Splash (4x), what
Splash (4x), huh
Splash (2x)
Ocean gang, ocean gang

F-ck what you talking bout, I'm getting money on itunes
I'm outer space swagging, little n-gga call me neptune
Swag on my d-ck, and I'm turning up the panturn
Niggas getting mad, I'm like the third ring on saturn
Causing up disaster, it's tragic when I swerve hard
I pull up in that new jet, yo b-tch just gave me new neck
N-ggas getting mad because I make it look so easy
N-ggas cannot see me, I call them little stevies
Riding thru my trap, and I see n-ggas wanna be me
I post up on the tv screen, bet and mtv
Where should the story begin, my whole life on cnn
I swagged up, yeah times 10
I sip lean, n-gga f-ck ginn

Ugh

Splash (4x)
Ocean, ocean
Splash (3x)
Ocean (6x)
Spash (4x)
Ocean gang splash
Ocean, ocean
Splash, slash
Ocean gang splash
Ocean gang splash

Niggas keep rapping, but I don't feel them
If you looking for me bitch, I am in the middle
Pulling up a b-man, I call that shit a skittle
20 ounces on me man, I'm bout to do it big b-tch
Lil dre I swagged up, little n-ggas feel him
Any n-gga on a b, I fuck around and kill him
You b-tch nigga need tissues, I dismiss you
Swag swag like... , freestyle like ginsoo
God damn it's lil dre, my chain cost 300k

Ocean gang splash, huh huh
Ocean gang, ocean gang, splash, huh huh
Ocean gang, ocean gang, splash, huh huh huh huh
Splash (3x)
Ocean gang
Splash (3x)

Splash (3x)
