I got new money, I got old money

[Hook] x 2

When they see me down, they say Soulja whoa

When they see my car, they say Soulja oh

I got old money, I got new money

I got old money, I got new money

Niggas really ain't about it

Nigga pull up on you when I'm creeping in the Audi

Niggas they don't want that

I pull up like wassup?

Sod, where it be, all dead we what's on

Nigga pulling on like bang bang

It's stacks on deck, money game

What the fuck you talk about

You know where I be, you know where I hang

Know erythang, diamonds in my bracelet

And my piece of chain

Soulja boy I go hard, I go so hard I go deranged

I go ham, hard as a motherfucker,

And you weak ass rap niggas ain't nothing but suckers

Suck a ass nigga, let's get to it

24 million, bitch I do it

[Hook] x 2

When they see me down, they say Soulja whoa

When they see my car, they say Soulja oh

I got old money, I got new money

I got old money, I got new money

That nigga started out with the popping

And thought that shit was all fun

Until I pulled up with the K, he started running like...

You a pussy nigga, you a bitch hoe

I'm kicking in your front door,

And if you ain't there nigga,

I'm hollow tying your best hoe

You niggas really don't wanna play

You don't roll best with me

... I'm cutting niggas where pizza eat

On real niggas up in the streets  
On real niggas up in the streets  
Lil dre don't give a fuck, I get my shit for 10 a key  
I get my shit 20's for the pain  
Now flicker 4-5 huned a night  
Nigga really I ain't talking prices  
I live that life I do the dice  
Shoot the dices and shoot the crowd  
And on top, that's for the raps  
Soulja tell them I do my shit  
Y'all niggas ain't doing shit

[Hook] x 2

When they see me down, they say Soulja whoa  
When they see my car, they say Soulja oh  
I got old money, I got new money  
I got old money, I got new money
