Everyday you know I ball, make it waterfall

(Verse)

Girl, Iâ€™m on my way
Thereâ€™s no time for them flames and none of them
games
None of them things cuz ainâ€™t nothing have changed
But diamonds and rings and push diamonds and
chains
And her down in the shoes
You knowin what we doin when we steppin on
We go and make a movie when we steppin on
Said she in love with Dolcebana
Said she in love with Inkatana
Louie V, Gucci dressing in designer
Way up fner, oversea, take her off to China
And baby you know itâ€™s no time for that
We turn it up, turn it up to the max
