[Drake]

Take yourself a picture when Im standing at the  
mound,  
and I swear its going down, Im just repping for my  
town,  
off a cup of cj gibson, man Im faded off to Brown,  
im easily influenced by the n-ggas Im around,  
see that aston martin when i start it hear the sound,  
i aint never graduated aint got no cap and gown,  
but the girls in my class who were smart enough to  
pass  
be at all my f-cking parties, grabbing money off the  
ground,

Yeah, all hell mr lyrical,  
Spades of the opus baby,  
What you got a feeling for,  
I can show you new things,

How you feeling spiritual,  
Pastor Kerney Thomas to these hoes, Mi'wacles!  
Yeah ok they say that Im the one in fact,  
They say that im they favourite  
But I aint hearing none of that,  
I'm all about my team hoe, young money running back,  
Cash money superstar, where the fuck is stunna at?  
Dayum

[SouljaBoy]

I just got a new deal, I ain't talking pickle  
I'm outside the cell while you rappers just sickle  
"Soulja Boy is Superman, the Hip Hop hero"  
She sucking all over my body, call her mosquito  
The chese is all on me, just like a dorito  
Disrespect and you'll get shot like a free throw  
I go hard , never ever go soft  
Always swag on, never ever swag off

Greatest rapper of the century  
Got more bars than a fucking Penitentiary  
Ever since elimentary  
Blueberry kush, I call it fruit roller  
And when I wake up I'll be baking like soda  
My pockets fat, like my jeans made by oprah  
In your house on your sister's wall is my poster  
Fucking models doing show just like I suppose to  
My lifestyle's extravagant,  
Attitude arrogant

[Chorus] x1
