Yeah! rich, clique!
Slutty boy gang
Slutty boy gang
Hey look!

You get fresh steps when the clique drops
Quiet, you can hear pin drops
Bad bitch on my main dick
Cause she suck your dick in traffic
Your girlfriend so nasty, slutty boy IÂ'm...
Dope boy do some class, you can keep the bitch cause I
had
My new bitch, sheÂ's an actress
Her husband played for the matrix
But her baby daddy played for the magic
So you know I had her fucking in dollars
Hollywood I record in...
Got money, pussy and talent
I say fuck your fans and their chances
My dirty cliques do damage!
Metal sweet, so IÂ'm sleeping with a hammer
Told really we can meet in alabama
Old shark rock it ainÂ't nothing
ItÂ's a dime shot then IÂ'm puffing
Metal sweet, so IÂ'm sleeping with a hammer
Told really we can meet in alabama
Old shark rock it ainÂ't nothing
ItÂ's a dime shot then IÂ'm puffing

Hook:

I ball, I stunt, I can fuck any bitch I want
Power pills and guns, power pills and guns
Your bitch say IÂ'm the one
Your bitch say IÂ'm the one!
Your bitch say IÂ'm the one
Your bitch say IÂ'm the one!
Power pills and guns, power pills and guns

Power pills and guns, power pills and guns
My bitches say IÂ'm the one!
I just fuck her till I come

Leave her swan, leave her dumb
... ball, Iâ€™ll hit her one
Ball the block, hit 300, weâ€™ll be running around theâ€¦
With thatâ€¦ getting blunt, beat the stadium
Bitch, I think I blew about a hundred
And the club soldiers stunt (soldier)
Fredo throwing money (fredo)
... Iâ€™m afraid Iâ€™mma make itâ€¦ hundreds
She gonna fuck for free, gbe donâ€™t pay for nothing

Hook:

I ball, I stunt, I can fuck any bitch I want
Power pills and guns, power pills and guns
Your bitch say Iâ€™m the one
Your bitch say Iâ€™m the one!
Your bitch say Iâ€™m the one
Your bitch say Iâ€™m the one!
Power pills and guns, power pills and guns

100 k a day, I make jewels, I make plates
I light theâ€¦ lv suitcase!
Iâ€™m all about my money, soldier boys paid them full
(full)
500 k in one week, thatâ€™s aâ€¦ too
Twenty racks in my pocket, and my rolex all gold
Boy, presidential with the diamond shining like a dope
