Yea I be fuckin' all the hoes
And she say she want a real nigga

Goddamn, you look bad
Goddamn, you look bad
Can I get a private dance?
(Can I get a private dance?)
Can I get a private dance?
Shawty say she got a man but I don't give a fuck about
him
Shawty say she got a man but I don't give a fuck about
him
Can I get a private dance?
Can I get a private dance?
Shawty say she got a man but I don't give a fuck
All I wanna do is fuck
Cuddle up and sippin' lean in a kush
Cuz I'm rollin' rollin' rollin' rollin'

I know I've seen you somewhere before
I know you see this money on the floor
I know that you can get it on the low
But I ain't even trippin' on a ho
Shawty let me get a private dance
Shawty let me get a private dance
And Shawty, can you do it with no hands?
And baby, do you want one of these hands?

Can I get a private dance?
Can I get a private dance?
Cuz we're rollin' rollin'
Cuz we're rollin' rollin'
Cuz we're rollin' rollin'
Can I get a private dance?
Can I get a private dance?

You walkin' round in those red bottoms
I see you walk around in those red bottoms
I put 'er to the club they don't like money
Like money (like money) like money dirty Sprite money
I got it all funny music shit (I got it all funny music shit)

I got it all from them gold bricks (I got it all from them

Tell me what's the ticket worth
Ride around no gimmick what
Turn around and flip it girl

Can I get a private dance?
Turn around and put that ass out of the fuckin' pass
Let me take a picture yo
Ain't gon show none of these niggas
Can I get a private dance?
Can I get a private dance?
Turn around, do it
Turn around, do it do it
Do it with no hands
Can I get a private dance?
Can I get a private dance?
Can I get a private dance?

She bad as fuck, she bad as fuck
Anytime that I'm in town
I tell her to come over so I can put it down
Can I put it down?
We can get up and get out
And go in and do this right now
Stop playin'
Please stop playin' with these bands
Girl, you see me, no other man
Sippin' on and chase it with a Xan

Can I get a private dance?
I said Can I get a private dance?
Can I get a private dance?
Can I get a private dance?
I'm ridin' through the city (city)
Ridin' round I'm getting it (getting it)
Smoke light, smoke midget oh
Fuck with me
