Ft. Curren\$y

So damn G soldier, swag, swag  
Yeah, yeah, yo nigga up on the block  
Hustling every day for the big nights  
Or red Bentley, say you hustle hard for a red Bentley,  
red Bentley  
Sip and sell, my best friend got the sip and sell  
Wait that's alright, or get money round the hood like a  
â€¦  
They label me hustler of the century  
Grinding stack of paper for a red Bentley  
I ride through the hood with my calculator  
Get my paper right now bitch I see you later  
A young nigga bout the cash  
My young bitch got a Mercedes with a digit dash

Paper, what the fuck you know bout my struggle?  
Red Bentley, that's why that nigga hustle  
My partner say trade it all for a Bentley  
Stacking paper for a red Bentley, life  
My partner say trade it all for a Bentley

Ah, red Bentley, teacher, sweat pants, wolf grey  
panties  
In my life time homes, I done seen many  
Niggas have it all, then I have plenty  
While youâ€¦they was just chilling  
â€¦ so they gone with me  
That's why I'm never caught up  
Money over bitches all the times how I was brought up  
That's why until I'm gone I'am stay pulling them cars up  
â€¦with the wings on them leave them bitches car  
struck  
They wonder who they cough up, they love him cause  
he bossed up  
Me and my cousin grinding cause they â€¦ show off  
Soulja got the newest model but I roll a OG  
Red labelâ€¦ 20 joints, 20 bottles and a â€¦  
Listen in the beats, cause that money don's sleep,  
homes

Stacking paper for that red Bentley  
I'm outside your crib in that red Bentley  
Pulling off with your bitch in that red Bentley  
Shut the phone, she got picture of that red Bentley, life.
