i wake up today  
feeling real fresh

hit me the best tune â€¦

i got a lot of swag with me  
i got a lot of people to ..  
sod .. in the streets  
.. yellow piecepolo is the best  
..know their stress  
ain't none but forget it  
ain;t none but to do it  
.. still got some people doing what they do

yeah i do this shit  
you know i got to stay fly  
everything is retro shit

no pain no .. i am so ..  
bitch hit me on my phone  
i was at home on my mother fucker ..  
like this shit on radio games ..  
i told the bitch i got .. she didn't know what that was  
.. different city fuck all week i can't sleep

yeah i do this shit  
you know i got to stay fly  
everything is retro shit
