She's a rich girl
Buying all the clothes

Pulled out your card
I thought I had a winner

[Soulja Boy]
King and she my Queen
When I first met her
I didn't even have anything
She had more money than me
She was a rich girl
Grew up in a messed up world

And I met her
She did nothing less of me
She get the bigger picture
She know we both was broke
When we thought we can't take it with us
We belong together
Yeah she's so special
She's my rich girl
But if she was broke
I would still...
And my neck froze
I told her I was hot
She told me that she cold
Together we tornado
So we spin across the globe
I make money every day
And everybody surely knows
I'm a rich boy
A young pretty guy
And she's pretty fly
And she's pretty high
And we're high together
We make change whether x2
Hopes and I love her

[Justin Bieber]
