I got that set, I got that set
I got the set
I got the Benz, I got the racks
I got the stacks

I'm ridin' 'round with extendo's
I'm ridin' 'round with extendo's
I'm ridin' 'round with extendo's
We lookin' for them fuck niggas

I'm ridin' 'round with extendo's
I'm ridin' 'round with extendo's
I'm ridin' 'round with extendo's
We lookin' for them fuck niggas

Who? Who won it? Who won it? Who won it? Who won it?
Like who
Who won it? Who won it? Who won it? Who won it?

I'm ridin' 'round with extendo's
Ridin' 'round with extendo's
Ridin' 'round with extendo's
I count a mill with my eyes closed

I'm a whip del, pocket scale
2 Glocks, that's some throw aways
Up and down from roll street
That's Riverdale Road and that's Pinilla too
Smokers like books, get a buzz, cruise, ruse folks
From playin' county river dove, nigga I can't go both
Nigga what ya tryna buy? Mummies, weed, coke, B Sin
my coke
Bad bitches in the real hoods, come and film this
Smoke that cush when I walk through this building
Throwin' stacks, nigga got a sack, put them bands on
your head
40 bands, make your best friend put a bullet in your
head

I'm turned up to the maximum
I'm ready nigga, let's take it up

You shoot shots up in the air
I'll shoot shots, I'll put you here
I'm everywhere, you know it
I'm red Billie, I don't brag Jack
I'm red flag, you know that
Your pussy ass get toasted
If you try and go for that fuck shit
I pull up and I buck it
Soulja Soulja and Waka Flocka
Pull it low with their Malone choppers
Million talking that swerve shit
And suddenly you cost bucket
I'm off the deck where turn in my turner
Came out the water with a automatic
Soulja, Soulja, way to make it rain
55 diamonds in my motherfuckin' chain
Pop pop, a nigga bang bang
Stacks up, this the murder gang
You know where I be, know where I aim
Know what's up, you know everything

I'm ridin' 'round with extendo's
I'm ridin' 'round with extendo's
I'm ridin' 'round with extendo's
We lookin' for them fuck niggas

I'm ridin' 'round with extendo's
I'm ridin' 'round with extendo's
I'm ridin' 'round with extendo's
We lookin' for them fuck niggas

Who? Who won it? Who won it? Who won it? Who won it?
Like who
Who won it? Who won it? Who won it? Who won it?

I'm ridin' 'round with extendo's
Ridin' 'round with extendo's
Ridin' 'round with extendo's
I count a mill with my eyes closed
