Word around town soulja keep that work
Word around town let my guns squirt
Word around town soulja got that sacks
The sack, pull up to the mall and I'm splash
Word around town soulja keep that work
Word around town let my guns squirt
Word around town soulja got that sacks
The sack, pull up to the mall and I'm splash

Word around town man I'm too clean
Pull up to my block and I'm doing schemes, things
Lets a soul hard, soulja in the hummer
Word around town man I'm doing numbers
Water whip a brick for the whole street
Pull up to the block and I'm straight stuntin
Word around town soulja doing numbers
Word around town soulja young stunna

[Hook]

Word around town soulja keep that work
Word around town let my guns squirt
Word around town soulja keep them stacks
Pull up to the mall and I'm splash
Word around town soulja keep that work
Word around town let my guns squirt
Word around town soulja keep them stacks
Pull up to the mall and I'm splash

Word around town I can't help myself
Walk inside the mall give me all them belts,
Gucci, louie this, Gucci, louie that
Word around town soulja keep a strap
Flexin in my hood man I'm straight strap
Word around town soulja got a stack
Flexin in my hood, smokin on a pack,
7 and 11 like I'm shooting craps
Word around town soulja keep that fire
Fire rappers with no swag, they need to retire
Word around town man I'm going ham
Word around town I got that kickstand, they lying
