[Soulja Boy]

In the air and I'm sitting on the jet everybody screaming out
Stacks on deck, money gang, money gang
Yeah we standing in the party and we got the AK
If a nigga want a problem, Lil Dre, aka Soulja BOY Tell Em all god damn day
Niggas niggas talking shit but they really need to stop it
Every time I look around I'm a fucking trainer topic
Talk about to talk about it, all in the media
Stacks on deck, go dumb remedia
Niggas talking about shit I don't care about
Niggas worrying about my whereabouts
But I never gave a fuck, got my goons spend 500K on a blunt
Nigga soulja boy tell them I ain't worry about a thang
Got the hammer and a drum, holdin it for fun
Niggas talking dumb, don't really want none
I'm throwing hundreds, benjamins
You throwing ones, nothing, zero, nada
Bitches we got a lot of proper, money, mucha
And you see me in the club your bitch give me punta

I don't give a fuck, niggas talking down but they really
is some ducks
Y'all niggas get plucked like a guitar string
Money on deck, put it on that balance beam
Niggas talking down but they don't stress the king
Or better yet the god
Money on deck like oh my god
Ocean Gang Or Drown,O.GOD [Oh god], huh, huh,

She likes to twerk, she like to twerk,
She likes to twerk, she like to twerk, yeh X 4

What now, asking, asking, drop it down to the ground X
2

She likes to twerk, she like to twerk,
She likes to twerk, she like to twerk, yeh X 4

[John Way]

Came out the ocean with my third eye open
Niggas looking hungry so you know I got the serving
john way and soulja boy, nigga that's the potion
Water on the ocean, I'm a fein for that lean

Here's a couple ones baby, get to work
Yeah, yeah, I like it right there
But put your leg up and let me see it where you hurt
Yeah, go stupid, stupid dumb, stupid, stupid dumb
Girl you know I ain't no chump, yeah,

25 bitches so that's 25 hoes, yeah, yeah
I got more hoes than clothes, more hoes than soles
Girl you know you know,
