Man that ho trippin,
Man she trippin, man she trippin
Man this ho trippin, she ain't on nothing
I be riding through the city, know you see me stunting
Man that ho trippin,
Man that ho trippin,
Man that ho trippin,
I walk inside the club my eyes dripping
I ain't stand that ho cause she trippin
I'm blowing on this loud you get missing
Me and my click man we with it
I stand inside the club, I be balling
Yeah I be balling like spalling
I got a lot of money calling
And I got a lot of cash falling
Know where the team, zan with the lean,
9 with the bean

Man that ho trippin, man that ho trippin,
Man that ho trippin, man that ho trippin,
Man that ho trippin, man that ho trippin,

I be riding through the city, see me stunting on these
hos
Say they wanna get with me
Man that ho trippin
See I ain't got no time, cause I be on my grind
Young hood nigga, let me hit that from behind
On sippin lean and my rum's on rewind
You know it's on, I ain't try to wine and dine
I'm in the hood, just lookine for the dime
You know it's good, I ain't even in my ride
Sod gang, I ain't even gotta ride
Stunting so hard man I do this all the time
All of this juice got it came from the pack
And I fall in the club you know I got the sack

Man that ho trippin, man that ho trippin,
Man that ho trippin, man that ho trippin,
Man that ho trippin, man that ho trippin,

Iâ'm riding through the city, you know I get it
I take weed with it, that ho trippin
Man these niggas trippin, they trippin, they trippin
She trippin, these niggas trippin, these bitches trippin
And she trippin, and she trippin
