Drop it like this, drop it like this girl
Drop it like this, drop it like this girl
Drop it like this, drop it like this girl

Drop it like this, drop it like this girl

I want a smart girl, with a dumb booty
With a dumb booty, with a dumb booty
I need a smart girl, with a dumb booty
With a dumb booty, with a dumb booty

Drop it like this, drop it like this girl
Drop it like this, drop it like this girl
Drop it like this, drop it like this girl
Drop it like this, drop it like this girl

On a black zag Mars, so she say 'bout a bail
Rest in peace to this beat, by the killers and the
straighter
With the head of the class, but she got a stupid booty
Kelly, Ashlee, Whila, Lisa if she got her mama booty
Now back it up and drop it down, back it up and drop it
down
Make that thing clap, now back it up and drop it down
Get a lot back and study all, take it back, gonna freak
you all
She came ready with a skirt on, comando, no pants on

I want a smart girl, with a dumb booty
With a dumb booty, with a dumb booty
I need a smart girl, with a dumb booty
With a dumb booty, with a dumb booty

Drop it like this, drop it like this girl
Drop it like this, drop it like this girl
Drop it like this, drop it like this girl
Drop it like this, drop it like this girl

She got the brains and the beauty
And she got the beauty
A plus shawty, grade A body

First class fair, ass gray you know I need that, believe that
Soulja and her lady see that
She a smart girl, graduated with her honor
Baddest thing in her class, maybe the whole college
She kept her head in the books, and her hair heavy shook
Soulja boy, Billy's hoe, kick the money off the floor

I need a smart girl, with a dumb booty
With a dumb booty, with a dumb booty
I need a smart girl, with a dumb booty
With a dumb booty, with a dumb booty

Drop it like this, drop it like this girl
Drop it like this, drop it like this girl
Drop it like this, drop it like this girl
Drop it like this, drop it like this girl

Long heels, rare bottom
Boom team on her boy shorts
Lying back in her dorm room
Told all the boys she had a momma house
She can't cook, don't clean,
She drank lane and she smoke weed
She danced in the house all by herself
Like she trying out for the torch team

I got a condo on my wrist
All my cars in my sis tonight
My passed night, I gon pass out
Everybody know it, I take charge
I like a smart girl, with a dumb booty
Where I'm from, we call it jude
Ass so big it don't make no sense
Super stupid!

I want a smart girl, with a dumb booty
With a dumb booty, with a dumb booty
I need a smart girl, with a dumb booty
With a dumb booty, with a dumb booty

Drop it like this, drop it like this girl
Drop it like this, drop it like this girl
Drop it like this, drop it like this girl
Drop it like this, drop it like this girl
Drop it like this, droW it like this girl
Drop it like this, drop it like this girl
Drop it like this, drop it like this girl
Drop it like this, drop it like this girl
Drop it like this
