[Chorus:]

I wake up early in the morning  
round the crack of dawning  
wave to my neighbors like wassup (say wassup)  
and I'm all tatted up, dat bang in my trunk  
everybody in ma city show me love  
because I got my speakers going hammer, bammer  
bammer bammer  
speakers going hammer, speakers going hammer?  
speakers going hammer, bammer bammer bammer  
speakers going hammer, speakers going hammer?

[Verse 1:]
