I was walking up out the mall, right?
I seen this girl I was like "AYE, SHAWTY LEMME GET
THAT BOOTY UP OFF YOU."
That booty them titties, that booty them titties, titties
that booty them
Titties.
Soulja, soulja, soulja boy tell em s-s-soulja boy tell em,
That booty, them titties, get that booty up off you...
them titties

That booty them titties, that booty them titties,
Turned around all I saw was that booty.
Them titties booty, them titties.
That booty them titties, that booty them titties,
Titties that booty them titties. them titties

That booty them titties, that booty them titties,
Turned around all I saw was that booty.
Them titties booty, them titties.
That booty them titties, that booty them titties,
Titties that booty them titties. them titties

Walkin' through the mall, all I saw was that booty
Them titties, that booty, them titties titties that booty,
them titties
This girl walked up, she said 'boy I ain't no groupie'
But I like your dougie and I know you like my booty
Girl I know you're choosin' you like the way my grill
shine
You ugly from the front but so fine from behind
Girl I know you're choosin' you like the way my grill
shine
You ugly from the front but so fine from behind

That booty them titties, that booty them titties,
Turned around all I saw was that booty.
Them titties booty, them titties.
That booty them titties, that booty them titties,
Titties that booty them titties. them titties

That booty them titties, (SWAG) that booty them titties,

(SWAG)

Turned around all I saw was that booty.
Them titties booty, them titties.
That booty them titties, that booty them titties,
Titties that booty them titties. them titties

Soulja boy tell em', yeah I'm a boss.
I really like them jeans, would you like to take them off?
You see my pinky ring? yeah I'm the man.
Watch full of stone, rubber band, rubber band
I'm tryna see shawty do it with no hands
We came to party,
Lemme see you do your dance
Lemme see you do your dance
Lemme see you do your dance

That booty them titties shout out to the audience

That booty them titties, that booty them titties,
Turned around all I saw was that booty.
Them titties booty, them titties.
That booty them titties, that booty them titties,
Titties that booty them titties. them titties

That booty them titties, that booty them titties,
Turned around all I saw was that booty.
Them titties booty, them titties.
That booty them titties, that booty them titties,
Titties that booty them titties. them titties

And they thought it wasn't gonna happen again
Soulja boy collipark yep
THAT BOOTY yep
Wuddup?
Leggo THAT BOOTY
SOD SOD SOD SOD SOD COLLIPARK
SOD SOD SOD SOD SOD COLLIPARK
THAT BOOTY
