Swag touchdown touchdown

A hundred racks a day that is a touchdown touchdown
Both hands up cuz this a touchdown touchdown

Ridin in my hummer 28 with a switch blame
Girlz on yo boy bcuz I swag just like?

Call up antonio the simpset monster
I'm gon let my chain hang like lil b the basedgod

I guess yea I'm ridin in the back
Twenty inches on the check
N you know what's comin next
Soulja tellem bout to flex
Girls bout to trip
On my whip
Cuz you know I flip whip
With that ice cake no kiss me on my neck haaaaa

Girls know my name
2 pistols on me so I strut like max payne
Bout to make it rain
Tryna snatch my chain
Then that nine touch your brain
Rearrange your frame

N I rap like gucci mane
Ridin in that van please tell me what is next
Back in the day I break a mile
Breakin all the laws
Only the fools follow the rules
I was ridin around my school
With a backpack plus a tool
The choppaz will hit you fool if that boy disrespects
Man I'm swagged up with henna tattoos on my neck
yea
Hella swagged up
See the gucci stashed up
Make a nigga backup
Chop a flash if he act up

Swag touchdown touchdown
I just wrote a play n made a touchdown touchdown
A hundred racks a day that is a touchdown touchdown
Both hands up cuz this a touchdown touchdown
Shawty get outta my way 2x
