Honey you're my girlfriend  
What it do, what it do  
Mister Way is in the building, Mister Way is in the  
building  
Ball man fight they've been hurting niggas feelings  
Damn oh so fly mother fucker stylish  
Pull me on red carpet and I'm out shining  
The whole city light soldier you did it  
Right in my Maybach counting a quarter million  
Pull up in the vine you backstage  
Passes for all backstage  
I'm smoking on this sower deal  
Going get your thick is from the wheel come  
And I fuck the bitches slip chance that I will call in  
'Cause my lyrics kill them all in  
Homie you still ballin here  
And my sashes all demi can you nigga hatin on me  
Much I know about these millions  
And I got a new crib and the bitch ain't got no ceiling  
And I won't stop rappin till my bank say a billion  
And I did it for my niggas get luck to the beginners  
My whole team is winning, I'm living life to the foolish  
Tryin not to wake up in the morning doing again  
Beat it off the E song and melody won it again  
I'll be so roll like sushi is dealing me  
Fall go chains on my nick we've been diggin me  
Bars on dick and so is the stack  
Sushi wanna pop bills so I brought a couple packs, busy

I tell her to let it all go 'cause she's better without it  
Let it all go 'cause she's better without it  
Let it all go 'cause she's better without it  
And honey you my girlfriend x 4  
I just tell her let it all go 'cause she's better without it  
Let it all go 'cause she's better without it  
Let it all go 'cause she's better without it  
Let it all go, let it all go

I'll be seating they thinking like what if I didn't make it  
But it's no time for what ill's just fly to Las Vegas  
And life is good for this morning fuck all of these

haters  
I've been getting money, I've been stacking paper  
Smashing 30 flavors, my ows got thirty ockers niggas  
must be haters  
If you like it I love it and so BMG we do it just like  
nobody does it  
Ad I pray to God every day no one above it  
I G wanting my T-shirt and Louie V all my luggage  
My domain is the meaning fly is in public  
I'm so nice, I'm so nice I'ma fuck it  
And honey you my girlfriend x 3

I tell her let it all go 'cause she's better without it  
I tell her let it all go 'cause she's better without it  
Let it all go
