hoes on me

Everything on me

Zan with that Lean

Nuthin but Irene

Hoes going crazy when I'm on the scene

Gotta go to the mall [Juice]

I gotta pull a band [Juice]

Fall off in the club, and I'm leaning like Kick Stand

All the ice on me [Juice]

All the bandz on me [Juice]

All the racks on me, it's a master Piece

Got the hoes scream my name

Player life it's shame, in the turning lane

In that drop top 5 flame

Bentley on them 4's got me shittin on they ass

When I step inside the club wit them mutha fuckin zans

Skinek my name, man you know that game

SOD all day put that shit straight to your face.

Boy beat this case, now we got them racks

Now you got them hoes, now you got them tats

[CHOURS]

Kush is on me [Juice]

Wit J-Money [Juice]

Running down i-20's looking for some freaks (looking

for some freaks)
Yellow diamonds shawty 100k a piece
Hop inside the VIP and all the girls on me
Zan with that Lean, SouljaBoy be clean
true religion jeans

Shit you never seen, fresh up on that scene
Wit that high right low left
Man the boy got wealth, girls cant help they self
Girls going wild, lifting up they shirts
Pull up in that lambo, that bitch go skirttt skirttt
Every where I go you know I'm putting in that work
SOD my turf.
Hit 'em where it hurt

[CHOURS]

Zan with that Lean
Smoke Nuthin but Irene x2
Bandz on me x2
All this ice on me, I aint worried bout a thing
