It's Mandatory

That TRU niggas get all the Glory

Realistic stories

We're not insinuatın

Trying to seperate the real from the fake

It's not in my nature to soulja hate and respect the  
cause

I'll regulate ya

'Fore i hate ya

And check ya with a phone call

It's a life for them dead ass nigga's phone

When ya get there

I'm Tryin to tell you sum real shit

Neva cause you're sure to get up stankin

Plus i'm fuckin around with this Nigga that's thinkin

About Murder they makin

Verbally shankin'

Niggas it's a deadly day

Takin their last breath

Besides you got me stressed out

That's why I stay sessed out

When under the press

Put on the Vest

Ready to take 4, 5 pigs out

Come to my senses

Is it safe to swang out

This Conyac to pass back

To a nigga that's committed

Don't fuck with the hood critics

The real niget

When i redeem that

Peep that

Such a stranger  
I'm arwy that's why i love sleepin  
When i keep it cocked with 1 in the chamber  
All the Criminals ride to this  
Law Breakin ass niggas blow up the pony ala dope and

In a process 187 is a grudge to be left in pri  
Only way to take off the leather Versache Jackets we

I'm pretty sure u know the procedure  
When u see a nigga with a heater  
Aint that screamin' let me get that about ya let me treat  
ya like a bitch  
when I squeeze ya  
Any 1 of u better not move cause i ain't gonna move no  
place  
And I'm swear i'm gonna release every bullet  
And it stops when i'm stichin  
My Comprehension is fucked up at this moment, at this  
time  
I don't wanna hear this ?? what used to be yours, now

So kiss it  
How I live it  
How I live is wrong
