Chorus: x2

(Soulja Slim)Me and My cousin we stay bustin

Head busters off top

(Full Blooded)It ain't no thang to let 'em hang

And watch them pistols go pop

(Soulja Slim)

If it ain't no thang to let 'em hang then watch these
pistols pop

Then it ain't no thang to let 'em hang and see a nigga
drop

My pistol cocked

And it stays like that

Me and my cousin we keep our A k's like that

Bout that combat way before I singed with No Limit

I been a soldier

3 steps from Magnolia

Use to jack it if I was sober

Get it how I live

Now picture me takin over

This whole rap biz

Tell it how it is

And give it to you raw as I could

Take it how you wanna

As long as the shit understood

Smokin on backwoods

Filled with some shit we got from L.A.

My cousin told me

We got a flight today

Okay so I pack my bags and get ready for the trip

You know I'm a redrummer so I stash 4 clips

I'm vest out In case a nigga might try to blow my chess
out

We ridin on the plane sessed out

(Full Blooded)

It's automatic quick as I can say it I got's to have it

Let me get that out ya Let me get that with ya

Then I hit ya

In ya face

Got me waking up the whole damn place
Mother fuckers hittin lights
In the middle of night
(Who huh what damn)
You see me on TV
In the metro where the murderers on the hitlist p
Well get with it shit's real
Fuckin world is like a movie
One minute I'm waking every nigga
The next minute I'm with the oozie
Got us ridin thru deep
Thru the U-P-T
Some nigga lookin for my cousin heard he ask about
me
Why this shit has to be
Is what my girl keep asking me
I'm doing something, whatever it is got these niggas
after me
So we lay camouflage behind dark tent
Got enough shit to leave all 4 corners bent
Puttin this bitch in reverse hittin that nigga thru my
windshield
I'm a die with my lil cousin before I leave him there to
get kill

Chorus: x2

(Soulja Slim)
That iron a get yall mind right I know how it feel
Matthew givin a fuck (Full Blooded: man mo murder mo
kill)
Shit's real and this shit bout to go down
My cousin a real hound
He can smell it tell it
(Full Blooded)
(sniff)I smell murder(sniff)I smell beef
Them niggas over there by the pole soldiers tryin to be
low key
(Soulja Slim)
Uhh Huh Them niggas just don't know that we got them
on beam
And I don't like that nigga over there anyway
With that camouflage green
(Full Blooded)
NIGGA NIGGA NIGGA NIGGA NIGGA
Fuck that shit
Up your shit
Let's make it happen round this bitch
With that nigga Pokey we die rich
(Soulja Slim)
So we with wits

To slangin that iron
Bloods thicker than water niggas don't mind dying
(Full Blooded)
So we gave it to 'em raw
Wasn't even no war
Go take a ride go get blowed just forget what we saw
(Soulja Slim)
Shit nigga put it in wind then
You know I got bad nerves
This for all the trill niggas from the 17th to the 3rd

Chorus till end
