[Verse 1: Soulja Slim]

I'm a dick thrower

Her neck and her back hurting

Cut throat I'll have you like a brand new version

It's like when she get used of it then you start serving

Hop up on top and start jicky-jicky-jicky jerking

Slow down for me you moving to fast

My fingers keep slipping I'm trying to grip they ass

Keep being hard headed and Ima make you get of me

Got human up the skys but my face is a doggy

If you loving my bark let me bury my bone

I got 4 or 5 bad merry bitches at home

One of my bitches feel in love with that outside dick

that outside dick keep them hoes sick

[Chorus]

[Verse 2: Juvenile]

It's like I got the world in my palms

Your girl up under my arms

She fucked up from the charm

She love the way the dick stay hard from 12 till early in
the morn

Fine bitches if you listening you heard me I'm strong

If you going threw your cycle I ain't with It I'm gone

You must have heard about them hoes that I beat up in

Don't be asking nigga questions about where I'm

And juvenile from courtless street by derby
Same nigga that used to be running with rusty and

But I can't bounce widd you without using my hands
with it

[Chorus: Soulja Slim]

know how to act
Slow motion for me, slow motion for me, slow motion

how to act
Slow motion for me, slow motion for me, slow motion

[Verse 3: Soulja Slim]

Slow motion, she open, I'm hoping that she don't leave
my dick broken
With brush, burns and swollen
I'm toting she wanted me to make a outer believer
I gurantee ya ima see ya when I see ya
And just don't holla out my name like we was all that
Your pussy throw back and you know that
So stop stunting slow motion for a real nigga
I'm going off that incredible potion and imma deal with

[Juvenile]

I like how that victoria secret sit in that ass
Let me pour some more hip and hennsey in your glass
Would I be violating if I grab me a handfull
Im knowing what's happening all I want is a sample
Who you wit I'm in the rental today
It's going down and happening and I remember the

Less money we spend on bullshit the more for the
weed

What's it gonna take for you to come slow motion with
me

[Chorus 3X: Soulja Slim]
