I'll never let you see  
The way my broken heart is hurting me  
I've got my pride and I know how to hide  
All the sorrow and pain  
I'll do my stormy in the rain

If I wait for cloudy skies  
You won't know the rain  
from the tears in my eyes  
You'll never know that I still love you  
So though the heartaches remain  
I'll do my crying in the rain

Raindrops falling from heaven  
Could never take away my misery  
But since we're not together  
I'll wait for stormy weather  
To hide these tears I hope you'll never see

Someday when my crying's done  
I'm gonna wear a smile and walk in the sun  
I may be a fool  
But till then, darling,  
you'll never see me complain  
I'll do my crying in the rain

(solo)

But since we're not together  
I'll brave the stormy weather  
To hide these tears I hope you'll never see

Someday when my crying's done  
I'm gonna wear a smile and walk in the sun  
I may be a fool  
But till then, darling,  
you'll never see me complain  
I'll do my crying in the rain  
I'll do my crying in the rain  
I'll do my crying in the rain
