Words and music by Magne Furuholmen

You offer your assistance  
But you won't accept my help  
You draw your own conclusions  
And there's room for little else

Your own participation's  
Based on how much you can lose  
I cannot help but feel  
That this won't be of any use

Don't offer me your credit  
'cause I do not want the blame  
Don't do me any favors  
I don't wanna play that game

I do not want to see myself  
As someone that you saved  
I'd rather be your adversary  
Than to be your slave

'cause every friendly gesture  
Turns my stomach inside out  
Don't do me any favors  
I am better off without

Don't offer me your credit  
'cause I do not want the blame  
Don't do me any favors  
I don't want to know your name  
But it's alright  
Yes it's alright  
Yes its alright  
Yes its alright  
Yes it's alright

Don't offer me your credit  
'cause I do not want the blame  
Don't do me any favors  
I don't want to know your name

Don't do me any favors  
Don't do me any favors  
Don't do me any favors

Coz it's alright  
Yes, it's alright etc

Ooh-don't give me any credit  
'cause I do not want the blame  
Don't do me any favours  
I don't want to see your face

But it's alright
