You offer your assistance
But you won't accept my help
You draw your own conclusions
And there's room for little else

Your own participation's
based on how much you can lose
I cannot help but feel that this
won't be of any use

Don't give me any credit
Cuz I do not want the blame
Don't do me any favours
I don't want to play that game

I do not want to see myself
As someone that you saved
I'd rather be an adversary
Than to be your slave

Cuz every friendly gesture
Turns my stomach inside out
Don't do me any favours
I am better off without

Don't offer me a credit
Cuz I do not want the blame
Don't do me any favours
I don't want to know your name

but it's alright
Yes, it's alright

Ooh - don't give me any credit
Cuz I do not want the blame
Don't do me any favours
I don't want to see your face

but it's alright
Yes, it's alright
