I will never let you down
I will always be around
In the time we are here
We'll see love disappear

Don't ask how
Don't ask why
Just fly, dragonfly
Just fly, dragonfly

I will never bring you down
I will always stick around
I will heat you when you're cold
In the time we have left
We'll raise eyes to the sky

Don't ask how
Don't ask why
Just fly, dragonfly
Just fly, dragonfly
Dragonfly

Don't ask how
Don't ask why
Just fly, dragonfly
Just fly, fly
Fly dragonfly
