"Hip-hop"

[Verse 1 - Guru]

Yeah (Big EZ) we doin' this for da love (Gifted
Universal)

Layin in the cut doin this for da love "Hip-hop"
Bout to blow this shit out the frame

We do it for the love "..what hip hop's supposed to
sound like"

As nights turn to days, days go back to nights, we be
seekin' the light

And keeping it tight up in the street life

I meet life, head on, no holds barred

Born with a hearts of gold, now mostly cold and
scarred

But fuck that, nigga, there ain't no time to dwell on

The mystics and obstacles that ya fell on

It's time to add on and put some flesh upon the
skeleton

Nobody wins when we all lose

Acceptin the straps this year me and my niggaz are
refused

We all choose instead to go all out

Till the radiation until the nuclear fall out, and

Even then rhymes are like protective suits

Only worn by the members of our selected troop

What's the scoop nigga? We know this rap shit makes
money

But whether I come through dift or whether I come
through bummy

I spit razor type rhymes off my dome son lovely

[Verse 2 - EZD]

Livin catastrophic me and Guru, cop it

This how we drop it I feel good about this topic

Illegal eagle you're the parrot pull ya card like a Tarot
I name brand your generic
What goes up must come down, the law of physics
You dine with a snake get ate by the lizzard
Mad gifted mad lifted
See me Guru beef don't risk it I'm with it
D & D style buck ass wild, poppin' shot all
I keep the hard shit to rock on
Y'all funny cats who y'all? Names be boo blah
We do this for da love keep ya mula
Recognize E with the Z like Zorro
Livin' constantly on semi-auto
The way I rock ya you'll be missin' like Hopper
So retire before me and my fam call you out like an
umpire

[Guru]

I come of the top rope like the WWF
Slammin' you to the mat with this ill type format
Take that rap I just made aiiyo store that
Just like on a Pentium with CD-ROM and all that

[EZD]

Me and Guru Converse on All Star can't play this team
Live with a magnum not come sell it with the laser
beam
It don't pay the dream about makin' mayor cream
It's ironic like Russel Simmonds wearin faded jeans

[Guru]

Know what I mean? So many cats be wantin' to rhyme
man
Yo why man? Don't they know this shit be takin' time
man
I remember when I used to carry DJ crates
Back with my man someway he landed upstate

[EZD]

How we roll, you supposed to know that
We picture perfect like Kodak, yo

[Guru]

You get ya wack demo throwed back, save that

Keep that, cause we don't need that

[EZD]

We peep that we in this for da love
Word to my seed black

[Guru]

We comin' with dumb flows and each and everyone
knows
That with EZ and Guru the fam just grows

[EZD]

Can't long won't stop rockin to the rhythm
Cause ah I get down, cause I get "Down like" - Nas - NY
State Of Mind
