I never saw sunlight  
Burn as bright  
I never felt darkness  
The way I feel it tonight

You say it's getting better  
You say it's alright

But I never felt darkness  
Like I feel it tonight  
Little black heart

Raindrops on my window  
I can't tell them apart  
Like the few things forgiven  
In my little black heart

You say it's getting better  
We just never got it right

But I never felt darkness  
The way I feel it tonight  
Little black heart

Some day we will shine  
Like the moon in the morning  
Like the sun when it's dawning  
Yes the sun when it's dawning  
The sun

Some day we will shine  
Like the moon in the morning  
Like the sun when it's dawning  
Yes the sun when it's dawning  
The sun

Raindrops on my window  
I can't tell them apart  
Like a few things forgotten  
And a few things ignored

You say it's getting better  
You say it's alright

But I never felt darkness  
The way I feel it tonight  
Little black heart

My little black heart
