Father  
My wings are clipped  
See the steps that made me trip  
Now I'm so lonely  
Mother  
Time's frozen flame  
Seem to linger in the rain  
Holding me only  
Like a river I'm flowing  
And there's no way of knowing  
if I'm coming or going  
I need something to chain me down

But it don't matter  
My eyes have seen...  
For better  
Out of blue comes green

Mother  
I have gone wrong  
Work my fingers to the bone  
All I've been doing  
Father  
Proud that I am  
To be born into such hands  
Your love so renewing  
And I know I can lose it  
Part of life you can't choose it  
As I touched the horizon  
It just felt like I'd die soon

Don't matter  
My eyes have seen  
For better  
Out of blue comes green

Out of blue comes green'
