The soft rains of april are over  
The soft rains of April are over, over  
Anybody home now  
I am on the phone now, please...

The soft rains of April are over  
The ferry across the water to Dover, over  
Anybody home now  
I am on the phone, oh I'd like to go back  
Is it raining back home  
I'm so alone  
Just got up today  
And my thoughts are miles away  
With you

Well, they gave me four years  
Three more to go  
Keep writing letters  
Time's passing so slow

The soft rains of April are over  
The soft rains of April are over  
Over
