The cold has a voice  
It talks to me  
Stillborn, by choice  
It airtight no need  
to hold

Old man feel the cold  
Oh baby don't  
cause I've been told to  
Stay on these roads  
We shall meet, I know  
Stay on...my love  
We shall meet, I know  
I know

Where joy should reign  
these skies restrain  
Shadow your love...'  
The voice trails off again

Old man feel the cold  
Oh baby don't  
cause I've been told  
Stay on these roads  
We shall meet, I know  
You feel so weak, be strong  
Stay on, stay on  
We shall meet, I know  
I know  
ad lib to end
