Uh, yeah, that's alright  
Lend us a voice in this howling night  
Just about a month ago  
You made a promise, babe, not to go

Yes, as you did now  
You were the heart and soul

One to the nightfall, one to the stars  
One to the haunted fools we are  
One to remember, one to recall  
One to acknowledge just how sweet it was

Yeah  
(Just about a month ago)  
Yeah  
(You make a promise, ain't that so)  
Yes, you did now into this howling night

You got, you got  
You got, you got me so  
You got me so low

I wouldn't lie, babe, not again  
It's such a crime to while away my time

One to remember, one to recall  
One to acknowledge just how sweet it was  
We were so happy, we were okay  
We let our good thing, honey, just slip away

Lend us a voice  
In this howling night

One to the nightfall, one to the stars  
One to the haunted fools we are  
One to remember, one to recall  
One to acknowledge just how sweet it was

One to the nightfall, one to the stars  
One to the haunted fools we are  
One to remember, one to recall

One to acknowledge just how sweet it was, yeah
