I've fixed my dwelling for the night  
Lights in pairs come passing by  
where I hide  
I need some time now on my own  
Leave my loneliness alone  
To lick my wounds  
Night has found me just in time  
to help me close my eyes  
one more time

Living a boy's adventure tale  
In so many ways  
Living a boy's adventure tale  
For so many days  
I'm living a boy's adventure tale  
Can't escape, if I wanted to  
Living a boy's adventure tale  
I may be dreaming but I feel awake

I've been lost in so many places  
Sought love in so many faces

A change of weather,  
the rain pours down  
My head in hands,  
pressed to the ground  
And where am I supposed to go now

Living a boy's adventure tale  
In so many ways  
Living a boy's adventure tale (aah)  
Living a boy's adventure tale  
a voice I hear  
Living a boy's adventure tale  
Singing a lullaby for me  
Living a boy's adventure tale  
Because of you  
Living a boy's adventure  
Oh you know it's true  
Living a boy's adventure tale  
In so many ways (aah)  
For so many days

I love you. I love you  
So many ways
