I cant see me in this empty place
Just another lonely face
I cant see me here in outer space
Its so hard to leave a trace.

And I try and I try and I try
But it never comes out right
Yes I try and I try and I try
But I never get it right

Its a
Minor earth Mojar Sky

I cant see me in this endless town
Not a friendly face around
Can you hear me when I speak out loud
Hear my voice above the crowd

And I try and I try and I try
But it never comes out right
Yes I try and I try and I try
But I never get it right

Its a
Minor earth Mojar Sky

And I try and I try and I try
But it never comes out right
Yes I try and I try and I try
But I never get it right

Its a
Minor earth Mojar Sky
Minor earth Mojar Sky
