I can't see me in this empty place
Just another lonely face
I can't see me here in outer space
It's so hard to leave a trace

And I try and I try and I try
But it never comes out right
Yes, I try and I try and I try
But I never get it right

It's a minor earth major sky
Minor earth major sky

I can't see me in this lonely town
Not a friendly face around
Can you hear me when I speak out loud
Hear my voice above the crowd

And I try and I try and I try
But it never comes out right
Yes, I try and I try and I try
But I never get it right

It's a minor earth major sky
Minor earth major sky
Minor earth major sky
Minor earth major sky

And I try and I try and I try
But it never comes out right
Yes, I try and I try and I try
But I never get it right

It's a minor earth major sky
Minor earth major sky
Minor earth major sky
Minor earth major sky

Minor earth major sky
Minor earth major sky

Major sky

Major sky
Major sky
Major sky
