I can't see me in this empty place
Just another lonely face
I can't see me here in outer space
It's so hard to leave a trace

And I try and I try and I try
But it never comes out right
Yes I try yes I try yes I try

It's a
Minor earth major sky

I can't see me in the endless town
Not a friendly face around
Can you hear me when I speak out loud
Here my voice above the crowd

And I try and I try and I try
But it never comes out right
Yes I try and I try and I try
But it never get it right

It's a
Minor earth major sky

But I try and I try and I try
But it never comes out right
Yes I try and I try and I try
But it never get it right

It's a
Minor earth major sky
Minor earth major sky
